## **SHAC Minutes for May 20, 2015 Meeting**

The Lohn ISD SHAC met on May 20, 2015 in the school cafeteria to evaluate the 2014-2015 Lohn ISD Wellness Policy and Program. Voting members present were Steve Coston, Michelle Horne, and William Sneed. Advisory members present were Alfie Sneed. Meeting was called to order at 3:00 pm by Steve Coston.

Minutes of the March 4, 2015 minutes were read and approved.

Mr. Coston asked that the committee evaluate the current wellness policy for any changes the committee would like to see amended for the upcoming school year.

Mr. Sneed said that he was concerned that we were tying coaches' hands by not allowing them to use physical activities as rewards or punishment. Mr. Coston explained that in athletics it was considered conditioning activities and should not be viewed as punishment, but that he would discuss this issue with his staff.

Mrs. Sneed said that she has been told at her meetings that TASB was going to be making some changes to what the wellness policy was to contain.

Mrs. Horne moved to keep the policy in it's current form until we knew more about these changes. Mr. Sneed seconded the motion. Motion carried unanimously.

After reviewing the current practices for the 2014-2015 year, Mrs. Horne said that she would like for us to look into providing more health awareness programs for our students such as dental hygiene. Mrs. Sneed said that physical hygiene was a problem also and that she would like to see the school have someone talk to the boys and someone talk to the girls. It was also suggested that the curriculum for the high school students be re-implemented to include abstinence as a mandatory class.

Mr. Coston said that he would look into these things and report back to the committee at the next meeting.

Meeting adjourned at 3:34 pm.
